# RECOVERY

Harmony is one of the longest running and most successful addiction treatment programs in the world. We provide the foundation for sustained recovery from the diseases of alcohol and drug addiction.

Harmony is a state-of-the-art residential addiction treatment program, confidentially nestled on a 43-acre campus in the Rocky Mountains, just outside of Estes Park, Colorado, approximately an hour and a half drive from Denver. We offer comprehensive treatment for adults age 18 and over, including a family member program segment.

Harmony uses the time-tested and evidence-based bio-psycho-social 12-step treatment model that addresses the client's body, mind, and spirit. At Harmony, you will receive expert, individualized, gender separate, medical and psychological care, in a peaceful, beautiful, confidential, and respectful environment.

Harmony knows the pain of addiction and the freedom and happiness of recovery. If you think that you, a friend or loved one may need help, please call us to learn about our programs. Harmony is among the most affordable high quality programs in the country. Payment options include self-pay, payment plans, and health insurance. Harmony is a Non Profit 501 (c)(3) Organization.

Harmony is internationally accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) and is a member of the National Association of Addiction Treatment Providers (NAATP).
